

**BE VISIBLE.
BE ONLINE.**

MoxiWebsites, by MoxiWorks, is a web content management system that gives control to agents (or teams) to create awe-inspiring websites without knowing a line of code.

BE DATA-DRIVEN.

MoxiWebsites is integrated with your MLS (multiple MLSs if you need, too!) pulling the most up-to-date listing information for you and your consumers. Custom search allows you to get down to the nitty-gritty details your consumers want.

BE ACCESSIBLE.

SEO? Got it.

MoxiWebsites comes with Yoast SEO plugged in to guide you to optimize every page of your site for great search results.

ADA Compliance? Totally.

Our sites are built to strive for AA-level compliance and adhere to Website Content Accessibility Guidelines as set forth by the W3C.

Fully Responsive, of course.

All templates and content have a responsive design that make it easy to navigate and enjoy on any size screen, from high-def televisions to the smallest of smart phones.

BE A LOCAL EXPERT.

Showcase your expertise through search engine optimized blog posts, plug in to the podcast scene, organize content with categories and tags and gain recognition as the real estate expert in your market.
